Specialized Facial treatments

Problem Skin Treatment: (60min.) 95

The answer to skins that is oily and/or blemished and congested. The benefits of Glycolic and Salicylic acids along with Tea Tree Oil, will help to regulate excess sebum, absorb impurities, soothe and heal and purify the oily/blemished skin types. For maximum results, this service is recommended in a series of treatments.

*For Acne Treatment: (60min.) \$105

Purify and calm your troubled skin with this treatment designed to diminish excessive sebum secretion and acne.

#Series of 5 \$450

Men's Detoxifying-Distressing Institute Treatment: (60min.) 95

A new generation of men's products to address men's skin type. A treatment of pure bliss and relaxation that no man can resist. The skin is cleansed, detoxified and soothed.

Microdermabrasion \$110 w/facial (80min.)165

Dramatic visible results are achieved with the state of the art technological equipment which helps to rejuvenate, stimulate aging-skin, and sun damaged, fine lines for total maintenance of healthy skin. It is also a problem solver for wild acne skin.

#Series of 4 \$590

Hydroptimale TH13.: (80min.)125

This treatment uses ceramides, plant oils and liquid crystals to address the problems of dry, dehydrated and/or sun-damaged skin and help to "plump up" fine lines.

Five treatments recommended for optimal results.

#Series of 5 \$560

Lift defense/Anti-Wrinkled Treatment: (90min.)..165

Your skin will bask in the hydrating luxury of this deeply nourishing treatment designed to strengthen and firm the skin while enhancing the natural moisture barrier. Leaves skin smooth, cool and supple. Especially recommended for clients concerned with aging skin.

Eye Lift Treatment: (45min.) 65 w/facial125

This treatment offers visible effects to help moisturize the eye area, reduce puffiness, lessens the appearance of dark circles, diminishes fine lines, tightens and smoothes the skin around the eye area and strengthens collagen and the elastin network fibers. It has been ophthalmology tested and is fragrance-free.

Vitamin C-Anti-Oxidant Treatment: (60min.)100

An important treatment to prevent future aging. Vitamin C strengthens the skin's defense mechanism to protect against free radicals and to encourage the formation of collagen.

Glycolic Facial: (30min.) 65 w/facial 115

Perfect treatment for sun-damaged or aging skin. Glycolic acid acts as a rapid exfoliation, increases cellular renewal, which can reverse the damage caused by the sun, superficial wrinkles, rough skin, pigmentation and age spots, and increases moisturization in the skin.

we recommend and facial every month.
